Dear Ms. West,

In May of this year I sent your office an IRREVOCABLE OFFER TO DEDICATE LATERAL ACCESS and an IRREVOCABLE OFFER TO DEDICATE VERTICAL ACCESS executed by Lynne and Frank Erpelding, for re-recording. The documents were recorded previously, on July 16, 1980 (nos. 80-679383 and 80-679384), but were to be rerecorded to include an acknowledgement by the California Coastal Commission. I received the enclosed "RECORDING ACKNOWLEDGEMENT FORM" indicating that the documents were rerecorded on May 10, 1982, as numbers 82-48026 and 82-48027. However, the original documents were never returned to this office.

Please conduct a search to determine whether the documents were ever sent to this office. If not, I will appreciate receiving them at your earliest convenience. If they were sent here, please notify me of the cost of reproducing certified, conformed copies.

Very truly yours,

Marcia Grimm

Dear Mr. and Mrs. Erpelding:

As you are aware, the State Coastal Conservancy recently accepted the two offers to dedicate access easements, which you had executed and recorded in July, 1982. I am writing to request your submittal of the original Offers to our office. According the recording information on our copies, the original Offers were sent to you at the above address.

As the holder of title to the easements, it is essential that the State have the original documents pertaining to the vesting of title to the easements. The original Offers will be kept on file in Sacramento at the Real Estate Services (Department of General Services), Proprietary Land Index.

If I can be of any assistance to you in this matter, please contact me by mail or telephone. The new address of the Conservancy is 1330 Broadway, Suite 1100, Oakland, 94612. My telephone number is (415)464-1015. Thank you for your attention to our request.
